

Quiz on Effects of French and Indian War

Directions: Answer each question below with complete sentences. Read each question carefully before you answer it.

1. Explain why American colonies were allowed largely to run their own affairs in the years before the French and Indian War.
2. Although England won the French and Indian War, it was faced with problems after the war ended. Explain what two of the problems were.
3. Explain why colonists were more uncomfortable after the French and Indian War than they were before. Specifically, point out changes that England made that made colonists uncomfortable.
4. The principal's memorandum that was read to you was not real, and your money will be returned to you at the end of the activity. You will understand why we did this activity shortly. For now, please write down (do not discuss out loud) how you felt when the memorandum was read and when your money was collected.
